Edinburgh South Gyle
Datacentre

Address:
The Clocktower, South Gyle Crescent
Edinburgh, Scotland EH12 9LB

Telephone:
0345 119 9911

BOOK A TOUR

We have the largest datacentre in Scotland at South Gyle, west of the city and easily accessible by rail, road, or tram from central Edinburgh, offering the ultimate in security, reliability and connectivity for mission-critical IT in a managed and carrier-neutral facility. With 29 telecommunications carriers and ISPs, South Gyle is also one of the most connected, commercially available datacentres outside the M25.
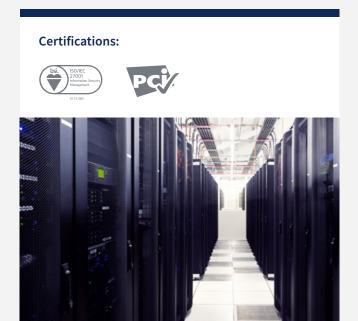

Configuration

Number of Data Halls	14
Total Square Feet	65,000
Total Racks	961

Available Rack Configurations
42U or 48U, 600mm x 1,000mm ½ rack, full rack, private cage, dedicated halls from 60m²
